

GARAGE SALE ART FAIR – 2018 VERSION

It's almost here!!! Some reminders and updates:

Before the show –

<https://www.facebook.com/GarageSaleArtFair/> This is the link to our Facebook page. Feel free to post pictures of either what you do or what you're bringing and I'll move them over to the main feed. Make customers look for you first!

<https://www.facebook.com/groups/1812450882304000/> This is the link to the artist's only page where you can ask questions, post things you're bringing that might interest other artists or whatever you would like. It's only people who are doing the show that will be on there. Ask to join if you're not on there yet.

Set up day –

Friday set-up is 2:00 - 7:00 pm.

Saturday morning we'll be open a little after 6:30 am for set-up.

Bring your own hand truck.

Your packet will be in your booth. Double-check your booth number on the e-mail or on ZAPP. No need to check in other than to say hi or ask questions.

Nothing can be put on the walls of the Expo Center.

Everything must be contained within your booth, including you. Don't worry about making your booth pretty, just make it practical for you!

Tables - we will have some tables available for rent on Friday at the same price of \$5 cash each. See Bonnie at the front of the Main Expo or scootering around if you need one.

NEW! We're having an artist Bake-Off during Friday set-up. \$1 for each vote with the money going to CERF+. Feel free to bring baked goods or just come taste and vote!

Pizza is coming around 5:00ish. We'll have water to drink or you can bring whatever you would like but.... **Please no alcohol since we don't want to get in trouble with the Expo Center. Yeah, I'm a buzz kill..**

If you ordered gluten free pizza, it will be on its own table.

Saturday morning we'll be open a little after 6:30 am for set-up.

You must check-in by 8:00 Saturday even if it's just a phone call or we may give away your booth.

The concessions should have coffee available for purchase early Saturday morning as well as food all day. There will be vegetarian, vegan and gluten free options.

Garage Sale Art Fair Exhibitor Wi-Fi Instructions

**For exhibitors and merchants needing internet connections
Login to the "Garage Sale Art Fair" network
Password: GarageArt2018**

*Wi-Fi is not intended for general public use and should be limited to exhibitors that need internet as part of their booth display.

Trailers and artists need to park by the grandstands during the show.

Make it easy and put as much of your extra stock into your booth before opening. It doesn't need to be covered or look pretty for us!

Everyone MUST park by the grandstands in back so the customers get the easy access parking in front. We have hired parking people this year to help.

The official opening time is 9:00 am but we may have to open earlier due to the crowds. We rent a third building to hold the crowd but it's normally not enough. I will make an announcement to let you know.

22 at 22 – For our 22st anniversary, we are giving away \$22 certificates (copy below) at 22 minutes after each hour. Accept these as cash but **do not give change**. Sign it, bring it to Bonnie up in front before 4:30 and she'll give you \$22 cash. (this is a sample)

Art Girls – we'll be taking a group photo at 8:15 Saturday morning in front of the main building.

Contact info starting at 10:00am Friday:

Please call our cellphones - Michael – 269-501-6892 or Bonnie 616-822-6850. Please remember that it's sometimes hard to hear it ring.

We're so excited and hope you are too! Travel safe...

Bonnie and Michael
